TWO BREAK-INS AT HALIBURTON

Last Saturday morning restaurant and made off with sometime after 2 a.m. thieves a sum of money. The money gained entrance to the Molou had apparently been left in theatre after breaking a the cash register as change window at the rear of the for those who were to open building and worming their the restaurant in the morn- way through a small passage ing.

The person or persons performing this feat must have been very small as we tried to edge our way rough the passage but to no avail.

The amount of loot obtained in these break-ins would appear to be small in comparison to the damage incurred. So far the culprits are not taking anything which would make it easy to incriminate them.

Some time early Wednesday morning thieves forced entry into the Kosy Korner

The cash register was severely damaged by the vandals who also made off with a carton or two of cigarettes.

Police are investigating but at time of going to press the robbers are unknown.

While no one should have to worry about leaving a little change in their place of business it would be wise, even though at some inconvenience, to take it home at night and also leave your cash register open, otherwise you are leaving yourself liable for a break-in and severe damage to your equipment.

Hockey Players Feted

The winning hockey teams of the Glen Dart memorial trophies tournament were tendered a banquet on Friday evening last by the members of LOL 975 and LOBA 828.

This affair was exceptionally well conducted, the food was excellent, the entertainment provided by Al Blanchard and his guitar was much enjoyed by all present.

The speakers for the occasion did not bore the young hockey players with long orations, but what they had to say was interesting and to the point.

Fred Neimann, who we know is the man chiefly responsible for the staging of the banquet, in a few words welcomed the hockey players and the parents of the boys who had won the Robin Hood trophies and the members of the tournament committee present.

Mr. Neimann then called on R. J. Curry, chairman of the Glen Dart memorial trophies committee who termed the late Glen Dart, in whose memory the tournament is conducted, as being not only a fine hockey player but a splendid sportsman. The speaker reminded all present of the necessity of supporting minor hockey in the county of Haliburton. He also stated that next year would be the 10th anniversary of the holding of this memorial tournament and it was hoped that we would make this a special occasion.

Capt. Kerr of the Salvation Army in his message to the young hockey players, urged them that whatever they undertook, to give their very best at all times. He drew our attention to the players who are presently engaged in the Stanley cup quest, stating that every man on the ice was out there because he was prepared to give his best for the team of which he was a member.

Rev. Petrie, who made the presentation address of the individual Robin Hood trophies stated that owing to lack of ice where he had lived as a boy he never had the thrill of playing hockey but he felt that the game helped in building stronger bodies,

character and should teach lessons in good sportsmanship.

Evangelist Coming To Haliburton

The Gospel Light of Haliburton is privileged to have with them for two weeks, April 2 through 16, the Rev. John Paterson of Montreal.

After 22 years of past ministry Mr. Paterson entered the evangelistic field. He comes to us with wealth of spiritual knowledge and experience.

He is the author of the book "The Real Truth about Baptism in Jesus' Name" which is now published in English, French and Asiatic languages.

Mr. Paterson has many years of experience in the business world as an accountant for manufacturing companies in Montreal.

ine. Although it was unable to modernize, the first settlers claim that infants were saved from beaver castors after months in alcohol.

On such occasions, particularly if the family were Irish, those who kept vigil sometimes lightened and brightened the death watch with liberal quantities of "potcheen" thoughtfully provided by the head of the house.

Sometimes the libations became so numerous that the situation got out of hand which may have happened at a never to be forgotten wake at the head of Boskung Lake. A young man, noted for his high spirits and pranks was among those who had been delegator to sit with the departed. Early in the evening he hatched a scheme which scared those who witnessed it out of a year's growth.

Aided by companions who had sampled the liquid hospitality until conventions ceased to matter, the youth lifted the corpse from its rightful resting place and secreted it elsewhere. Crawling into the coffin, the mischievous one crossed his hands and composed his features to resemble the last sleep. The room was dimly lit and the substitution at first was not detected. A large number of mourning neighbors had filed in to pay their last respects when the figure in the coffin, which in the dusk appeared to be the corpse, raised up and said, "Good night!"

Another harrowing frontier tale concerns the pallbearers who were sent to Dorset to bring home the body of a shanty boy killed in a logging accident near there. After an extended rest in the Dorset hotel and the strong waters sampled there it seemed a good idea to race the sleigh carrying the body south along the old Bobcaygeon road. To let another team take the lead was too much for the mettle of the teamster who carried the body. Too readily he accepted the challenge and somewhere along those hilly miles the coffin was bounced off the sleigh. When the party at last reached their destination everyone was present except the corpse.

The Provincial Institute of Trades, located on Nassau St. (two blocks south of College St., off Spadina) will be holding its first open house on Wednesday and Thursday, April 5 and 6. The school will be open to visitors from 2:15 p.m. until 9:45 p.m., each of the two days.

The Provincial Institute of Trades was established in 1952 by the Ontario Department of Education. It serves three main purposes:

1. To provide the in-school training for persons who

have been indentured as apprentices through the Dept. of Labor. These courses include bricklaying, carpentry, electrical construction, lathing, motor vehicle repair, body and fender work, painting and decorating, plastering, plumbing, sheet metal work, steamfitting, structural steel detailing.

2. To provide trade courses on a mechanic's level in those trades where there is a demonstrated need. At the present time courses are offered in barbering, diesel mechan-

ics, engraving, gem setting, jewellery making, watch repairing and welding.

Visitors to the open house will see students at work in the above mentioned trades. An opportunity will be provided for the public to become better acquainted with the many opportunities provided by the school for training in a wide variety of trades. Courses offered in both day and evening classes will be outlined.

Everyone is welcome.

Hi-Lights from the Hi

On Saturday, March 18, the Haliburton junior girls basketball team traveled to Whitby to compete in the COSSA basketball semi-finals.

The team was comprised of the following girls: Gloria Harrison, Cheryl Walker, Jean Dawson, Gail Gartshore, Barbara Prentice, Leona Milburn, Heather Inglis, Sharon Stamp, Christine Camochan and Ann Eastwood. Their opponents in the semi-finals game were from Tweed.

The scorers for the game were Cheryl Walker with six points, Jean Dawson with five, Gloria Harrison with three and Sharon Stamp one.

The girls stayed to watch the other junior game between Port Hope and the Ontario School for the Deaf. This game proved very in-

teresting to many of us, but unfortunately Port Hope ran away with the game by beating them 44-13.

We are pleased to state that the referees remarked on the members of the team for their fine athletic ability and good sportsmanship.

Missing From The Halls ... We are happy that Roger Nesbitt is up and around on crutches. Roger was seriously injured about three weeks ago when he was cut by a chain saw while cutting wood and the saw slipped.

Blaine Sisson, popular with the fair sex, is resting comfortably in Lindsay following an operation. All students are pulling for a quick recovery.

Status of Minden By-Pass Investigated by C. of C.

In view of the various rumours that have been circulating recently regarding the by-pass, the Chamber of Commerce addressed a letter to the Dept. of Highways, asking for the exact status of Highway 121 at this area and the following information has been received:

"The controlled access status of the Minden by-pass has not been removed, but has been modified to some extent to permit certain specified types of businesses with direct access.

"Access will be permitted for the present use of the abutting lands as existing, together with access for streets only on approved registered subdivisions. In addition, access may be granted to commercial establishments that provide a service to the traveling public (i.e. service stations, restaurants, motels). Where access presently exists to an individual holding, no further access

will be granted. All buildings to be set back 85 ft. from the property line. This will mean that it would not be permissible for a person at present owning property adjoining this highway, to which there is access from the highway, to sell lots or to construct other buildings on the property with direct access to the highway. In other words, no one will be able to initiate a so-called "ribbon" development with direct access to the highway.

"This would not, of course, prevent the owner of property which presently has an access to the highway from selling a portion upon which a commercial establishment would be constructed. Also it would not be possible to state categorically that any, or all, of the types of businesses mentioned above would necessarily be permitted. Each application will have to be treated on its own merits."

St. George's W.A.

St. George's W.A. met at the home of Mrs. George Earle on Tuesday, March 21 with an attendance of 17 members and a visitor.

Devotions were conducted by the president, Miss Clarke who, in referring to the Mission to Canada, February-June, with Mr. Tom Rees of Great Britain, quoted Billy Graham, "I believe Mr. Rees is one of the most able evangelists of this century and am convinced that the spirit of God is going to touch the dominion of Canada," and from Bishop Wilkinson, "This is the era of the Holy Spirit when God takes people and makes them His instruments. All of us must be sensitive to the work of the Holy Spirit and be ready and willing to accept change and to meet the needs of today and of the future. . . . If we do our part the Holy Spirit will work out the mechanical problems as He leads us towards the vision of the whole church bringing the whole gospel to the whole world."

Mrs. Weese read the scripture, Col. 3:1-17 followed by prayers with special remembrance of the sick.

The Rev. John Taylor who attended the meeting for a short time spoke of the keen interest shown by the teenagers attending confirmation classes and asked our prayers for them.

OBITUARY

There entered into rest at the Haliburton Red Cross Hospital on Monday, March 13 a life long resident of Lochlin in the person of Dalton Wruth.

Born on June 29, 1886, he was the son of the late DeForest Wruth and Emily Moore.

He was a veteran of World War I and for some time has not enjoyed the best of health but was confined to hospital for only three weeks prior to his death.

Although not in regular attendance at church, the late Mr. Wruth led an upright and just life.

He had many friends and was held in high respect as was shown by the beautiful floral tributes.

Left to mourn the loss of a loved brother are James of Lochlin, Edith (Mrs. Tom Fairrey) of Toronto and Octavia (Mrs. Archie Ward) of Tucson, Ariz. He was predeceased by a sister, Alma (Mrs. John Clark) and two brothers, George and Walter.

The late Mr. Wruth rested at the home of his brother until Wednesday when funeral service was held from the Ingoldsby church at 11 a.m. with the Rev. Gracie of Minden in charge, using as scripture St. John 14.

Pallbearers were friends of the deceased, Bert Hicks, Carl Dugan, Max Emmerson, Noble Hague, Orville Hicks and Ted Francis.

Interment was made in Ingoldsby cemetery.

He has just gone over the hill my friend
 Right over the hill by a shorter way
 While we must toil on to the long roads end,
 Through the dust and the heat
 We will meet some day at the resting place
 No, he is not dead
 He has simply wandered off ahead.

June Beaney read the scripture and Audrey Northey gave the topic "The Church at Large," the New Testament reading and followed with prayer.

During the business discussion, the girls suggested that the various items for the bazaar table at the Christmas tea be made up during the meetings, to start at the next one, Thursday, April 13 at the home of Mrs. Les Northey.

The meeting closed with the Mizpah benediction after which refreshments were served.

OBITUARY

Charlotte Churchill

After being in failing health for over a year, Mrs. Charlotte Churchill passed away at the home of her daughter, Mrs. Clifford Watson.

The late Mrs. Churchill, who was in her 62nd year, was the daughter of the late Andrew Watson and Isobelle Porter, being born at Carr, Ont. The deceased obtained her schooling at Restoule, Ont. In 1923 she married Wallace Churchill and took up residence in the city of Toronto. Her husband predeceased her in 1936 but she continued to reside in Toronto until February of last year when she came to Haliburton to reside with her daughter.

The funeral service was held from the funeral home of John Welch and Son, Minden, on Monday, March 20 when the Rev. John Taylor of St. George's Anglican Church spoke words of hope and comfort to those bereaved.

Left to survive besides her daughter, Mrs. Clifford Watson (Elsie) of Haliburton, is a son Garnet of Brantford; a sister, Mrs. Daub (May) of Warren, Ont., and three brothers, Percy of Powassan, Clinton of Niagara Falls, N.Y., and Walter of Niagara Falls, Ont. Three grandsons and four great grandchildren also survive.

Pallbearers were Marshal Leighton, Moss McCracken, John Allen Austin, Ross Anderson Jr., Jim Bryan and Percy Bonham.

Interment was made at Evergreen cemetery vault where a short service was conducted by the Ladies Auxiliary of the Canadian Legion.

PALM SUNDAY AT ST. GEORGE'S

During the service in St. George's church on Palm Sunday a life membership in the W.A. was conferred on Miss Joyce Williams in recognition of her devotion to her church; the text chosen being, "he that is faithful in that which is least is faithful also in much," St. Luke 16:10.

Since coming to Haliburton Miss Williams has been a devoted member of St. George's church, giving years of selfless service in the Sunday school, the choir, as superintendent of the junior auxiliary and as a valued member and officer of the senior branch.

Miss Clarke and Mrs. English, representing, as presidents, the members of the two branches making the gift, escorted Miss Williams to the foot of the chancel steps where they presented the certificate and gold badge as the rector read the very beautiful service of admission.

Palms on the altar and the blessing and distribution of palm crosses to the large congregation of worshippers which included members of the junior auxiliary formed a meaningful part of the service at St. George's church on Palm Sunday.

In a brief sermon the Rev. John Taylor pointed out that just as on that first Palm Sunday some people came because they were friends of Jesus and loved Him, others for idle curiosity and some as His enemies, so it is in the world today. The important thing is that we come to where Jesus is and let His magnetism draw us.

BARABBAS

"Behold the man," said Pilate

To an angry crowd one day; They looked upon the Lord and cried, "Away with Him, away!" What will I do with Jesus? In Him no wrong I see; "Crucify Him," they all cried, And set Barabbas free.

Barabbas was a prisoner Whom Pilate held that day; What went through his evil mind?

When he heard the keeper say, "Barabbas, oh Barabbas, Come, you are set free; Behold the man named Jesus Takes your place at Calvary."

I wonder if Barabbas Ever looked that day Upon the face of Jesus Before they led the Lord away; Did he recognize the Lord Beneath the crown of thorns, Or did he mingle with the crowd And stay to laugh and scorn? scorn?

What will you do with Jesus? What does your heart reply? Will you accept Him now as Lord, Or Him will you crucify? Barabbas, oh Barabbas, Come and be set free; Behold the man named Jesus Took your place at Calvary. —Jessie Roberts.
